**BUILDING COMMITTEE MINUTES**  
**MONDAY, MARCH 14, 2011**  
**SUPERINTENDENT'S OFFICE**

CALL TO ORDER

The Building Committee meeting began at 7:04 PM.

ATTENDANCE/INTRODUCTIONS

Committee Members Present: Mr. Hollingsworth, Mr. Ori, Mr. Stufflebeam

Others: Mr. Sondgeroth

DISCUSSION/INFORMATION ITEMS

Gymnasium Renovation – The committee members discussed the logo to be placed on the gym floor and the logo to be used on the mats on the end of the gym. Members talked about different logos, but are in favor of the winged M as the logo. Members would like to see the winged M using different fonts for the M. Mr. Sondgeroth will contact Jeremy Powell to see if he can design some different options for the committee. The committee also discussed a design for the new mats that will be purchased for the east and west walls of the gym. For the mats, the plan is to use all the existing blue mats located in the gym, but to replace a 12”-14” section at each end, under the baskets, with new white or gray mats that have a Monroe graphic. The blue mats that are removed will be placed under the baskets on the north wall. The committee discussed issues with four mats that have cutouts for wall outlets. Once raised, the cutouts will no longer line up with the outlets. Some of the existing mats may need to be used and cut.

10-Year Life Safety Survey – The committee discussed having the architect begin the process of performing a 10-year life-safety survey at Monroe to identify issues in the building that need to be completed. The architect has been contacted and the plan was to initiate this survey with the architect once the gym project was approved and bids were accepted. Mr. Sondgeroth will contact the architect to initiate the survey.

Board Goal #1 – Building and Grounds – The Board briefly reviewed Board Goal #1 dealing with issues to be addressed in Monroe’s Building and on its grounds.
