Monroe Parents:

I wanted to make sure everyone was on the same page regarding our schedule over the next couple of weeks. Our webpage will be updated today with parent resources and a reminder of our schedule. Any schedule changes and reminders will be delivered through our automated phone message system, email, and Facebook.

Monroe will have the following schedule over the next couple of weeks:

Monday, March 16 - Regular school – **1:30 Dismissal**
Tuesday, March 17 - E-learning Day
Wednesday, March 18 – E-learning Day
Thursday, March 19 – E-learning Day
Friday, March 20 – E-learning Day
Saturday, March 21 – Sunday, March 29 – Spring Break – No School or E-learning
Monday, March 30 – Teacher Institute – No E-learning
Tuesday, March 31 – Regular school resumes

If the mandated closure is extended beyond March 30th, we will revise and communicate our revised schedule when or if that announcement is made.

If a child qualifies for free and reduced lunch we can arrange for a lunch to be delivered home. If your child qualifies, please call the school Monday after 9:00am and request your lunch. An alternative to calling the school would be sending a note with your child tomorrow morning. Various restaurants in or around Peoria are also offering free lunches. Those resources will be sent out via Facebook and placed on our website.

Our staff has been working very hard to make the best of this situation. E-learning is not the most ideal answer, but some instruction is better than none. While kids are home during the day please do your best to provide structure and daily routine that will include academic time, exercise, family time, art/craft time, etc. Please monitor our Facebook page and visit our website for updated resources.

Thank you for your continued support of Monroe school!!!

Sincerely,

Dr. Darrick Reiley
Superintendent
