Dear Monroe Parents:

The Monroe staff appreciates everyone's commitment and hard work during this difficult time. May is usually an exciting time for everyone as we get ready for our end of the year field trips, awards banquets, and graduation. We miss our students and hope that everyone is staying healthy. As we begin to close out the year, remind students to continue working and continue to communicate with teachers if there are questions. We will continue to make the most of the situation we are in. Our remote learning will continue Monday-Thursday with teacher planning days on Friday. Our schedule through the end of the year is listed below:

May 1 – Teacher Planning Day

May 8 – Teacher Planning Day

May 14 – Last Day for Remote Learning

May 15 – Teacher Planning Day

May 18 – Teacher Planning Day

May 19, 20, 21 – Exchange Day – Monroe will communicate expectations for drop off of school items and distribution of student items. Both day and evening hours will be available.

May 22 – Last Day for Staff

 Last Day for Lunches

May 25 – Report Cards Available for Pick Up

Limestone Community High School is allowing us use of their auditorium for graduation which has been re-scheduled for Monday, June 29th. Practice during the day is scheduled for 10:00 at Limestone. If we are not allowed an in-person graduation it will be moved to a virtual graduation. Regardless of the format, we will make sure we get a group graduation photo to join the other graduating classes at Monroe. As a reminder, students will need to be in good standing to participate in the graduation ceremony. This includes remote learning requirements / incompletes.

Sincerely,

Dr. Darrick Reiley
Superintendent
