TO: All Parents/Guardians of District 70 Students

SUBJECT: Residency Requirements

The Monroe Grade School District 70 Board of Education has the responsibility of educating all students who legally reside within the boundaries of District 70. All students attending District 70 classes must be legal residents of the district. Legal residency within the District requires that a student and his/her parent/legal guardian must be residing within the District's boundaries at the time of registration/enrollment in District 70 academic programs/activities. Legal residency requires that the household be established within the District with the intent of remaining on a permanent basis. Establishing a residence with the District on a short-term basis with the primary intent to enroll the student (s) in the educational program does not constitute residency for enrollment in school programs/activities.

When asked to verify residency with District 70, those registering will be required to present evidence documenting permanent residency. Such evidence includes tax bill, home ownership/lending institution statements, utility bills, and lease agreements. **(Please attach copy)** Other documentation may be submitted, but all documents shall be subject to final review by the Superintendent as to its acceptability. Rejection of appropriate documentation may be appealed to the Board of Education.

Registration of a student who is not a legal resident is illegal. Students who are found to be illegally registered will be immediately removed from all education programs and extracurricular activities. The person(s) responsible for illegally enrolling the student(s) in District 70 programs and activities will be held liable for tuition charges covering the period of illegal enrollment. The current tuition charge is approximately \$6,600.00 per year.

(Complete and sign the following Registration Form)

I am the parent/legal guardian of _____ and hereby certify that said student is a legal resident of District 70. I understand that I am liable for tuition charges for illegal registration within District 70 and that said student will immediately be barred from attendance in all academic programs and extracurricular activities if this claim of legal residency is fraudulent.
